REPLY TO INTERVIEW SUMMARY DATED NOVEMBER 6, 2009

Dear Sir:

This interview summary is in response to a telephone interview between Examiner Asghar Bilgrami and applicants' representative, Matthew Clapper. Applicants' representatives kindly thanks the Examiner for the courtesies extended during the telephonic interview on October 26, 2009. During the interview, applicants' representatives noted that the no art of reference discloses a HMI being rendered and transmitted to client devices. However, no agreement was reached as to the submitted claims. Accordingly, applicants' representatives

indicated a new claim set would be submitted (in an RCE) that more clearly distinguished over the art of reference.

No fee is believed to be due, but in the event any fees are due in connection with this document the Commissioner is authorized to charge those fees to Deposit Account No. 50-1063 [ALBRP316US].

Respectfully submitted,
